Students living in residence halls, University
Villages, and Lewis & Clark housing can contact their
student staff member or area coordinator for assis-
tance in accessing resources

THE UNIVERSITY OF MONTANA BIT IS A MEMBER OF NABITA
(NATIONAL BEHAVIORAL INTERVENTION TEAM ASSOCIATION)

formerly CIRT

| who we are & what we do |

BIT is a campus-wide team of appointed professionals responsible for assessing, and responding to serious concerns, distress and/or disruptive behaviors related to students that may threaten the health or safety of the campus community.

BIT serves an important role in the prevention and management of difficulties related to harm to self or others. For example, if a classmate or roommate shows a sudden change of behavior such as missing classes, or poor self-care, a concerned faculty, staff or student could contact a BIT co-chair or complete a BIT referral form. The BIT team reviews and discusses the best strategies to both help the student and manage the situation. And, if determined to be in their best interest, students of concern are contacted and referred to appropriate resources.

then 911**

| when to report |

**are you worried
about a student or friend who:**

Is withdrawn from activities or interests

Acts out, is disruptive or displays threatening behavior

Has severe changes in appearance and/or hygiene

Has concerning writings (grudges, morbid thoughts)

Is intimidating or exhibits illogical thinking

Has preoccupations or actions that could harm self or others

Who abuses substances

Brings relationship issues into the classroom or work

Shows self-injurious behaviors

Shows suicidal risk with a refusal to access Counseling Services

**THE BEHAVIORS OF CONCERN MAY NOT
NEED IMMEDIATE ATTENTION, BUT THEY
ARE CONCERNING ENOUGH
TO CAUSE WORRY**
