The Women’s Resource Center and out words are partnering for the Student Involvement Network’s 2011 LOVE YOUR BODY DAY event. As part of this year’s celebration of the body and its diverse beauty, we are proud to extend an art and writing submission opportunity to the entire community. We are requesting art (including photography) and writing submissions to be a part of the LYBD exhibit in the University Center at the University of Montana on Wednesday, October 19, 2011.

LOVE YOUR BODY DAY is an annual event across the country to fight unhealthy body images. If you have any questions regarding LYBD or are interested in other events planned for the day, please contact the Student Involvement Network 406.243.5622.

Details:

The submission deadline is Monday, October 10, 2011. All pieces will be displayed in the exhibit and one art piece and two written pieces will be chosen as the focus pieces and included in the December edition of Out Words.

Please bring up to three pieces for submission to the Women’s Resource Center, located in the University Center Student Suite 210. Each piece should include a submission form, attached below and art pieces may also include (if desired by the artist) a one paragraph explanation of each piece.
