Re: Symbolic Systems General Education Approval for Pharmacy Pharm.D. Degree

The School of Pharmacy requests the following course sequence to satisfy the Group III Symbolic Systems General Education Requirement for professional pharmacy students.

MATH 150 and (MATH 241 or PSYC 220 or SOC 202)

MATH 150 prepares students to understand, communicate, and problem solve mathematical modeling of individualized drug therapy (Pharmacokinetics). Statistics (MATH 241 or PSYC 220 or SOC 202) aids students in understanding, communicating, and critiquing the validity of medical studies in the drug literature.
