VI. METHOD OF DELIVERY

Will more than 50% of the proposed program be delivered via online or distance methods?

☐ Yes ☒ No

VII. CATALOG LANGUAGE

Attach the current or proposed catalog language with any changes clearly identified. (See Attached)

VIII. JUSTIFICATION

Provide enough information that someone without specialized knowledge can make an informed decision.

The CTS in Sustainable Construction was created and approved in Spring of 2015 within the Carpentry Program, prior to the application and approval for name change of “Carpentry” to “Sustainable Construction Technology” in Spring of 2016. Having a CTS titled “Sustainable Construction”
within an AAS program now also titled “Sustainable Construction” is redundant and somewhat confusing to students. “Green Building” is a more suitable name and will help highlight the CTS as an additional option within the curriculum.

IX. SUBMISSION

Submit a hard copy of this form with all required signatures to the Office of the Provost. Please also submit an electronic copy of this Word document, along with all other required BOR forms (in Word) to jasminezink.laine@mso.umt.edu

- After approval by the Provost, the proposal will be submitted to the Faculty Senate Office.

  - Note that BOR and internal UM deadlines require submission quite in advance of the BOR meeting.
- The Office of the Provost will notify the proposer once the change has been approved by OCHE/BOR.
