I. DEPARTMENT / PROGRAM

MCLL / French

II. SUMMARY

The French section would like to increase the number of credits that Majors and Minors need to take from UM faculty, respectively from six to twelve credits and from three to six credits.

We would also like to clarify the catalog language that explains how we figure transfer credits.

<td>Fulfillment of Requirements [...]</td>
<td>Fulfillment of Requirements [...]</td>

<tr>
<td>A minimum of six upper-division credits for the major and three upper-division credits for the minor must be taken from UM faculty on the UM campus</td>

Hypothetical examples: a survey of 16th Century literature transferring at 1.7 credits can be combined with a survey of 17th Century literature transferring at 1.7 credits can be combined to fulfill FRCH 311, but a survey of 19th and 20th Century literature would not fulfill any requirement unless combined with a survey of 18th century literature (to replace FRCH 312) or a survey of francophone literature (to replace FRCH 313). Courses in French history, political science and art history can be combined to fulfill FRCH 350. All courses in French language, literature and culture that do not fulfill requirements will transfer as electives.

VI. JUSTIFICATION

We are under pressure from our dean to ensure that we have robust enrollments in our upper-division classes. It is also quite difficult to ascertain exactly what content students learn while on various study abroad. We want to be able to ensure the quality of instruction our Majors and Minors are receiving.

VII. SUBMISSION

After all signatures have been obtained, submit original, and an electronic file to the Faculty Senate Office, UH 221. An electronic copy of the original signed form is acceptable.
