Has the Department gone through common course review?
□ Yes □ No □ In process

Rationale ↓

The reason for the change was in response to a request from Management and Marketing, home of the International Business majors, to help keep IB majors on track. International Business is the only major required to take this course. Note that the UM standard for meeting a prereq. is a C-, so this would become the default grade needed to satisfy the prereq.

II. Endorsement/Approvals
