VI. JUSTIFICATION

PSCI 442 was added to the catalog several years ago. It covers public administration and public policy issues related to the environment. We should have added it to the Public Administration option at that time but forgot to do so.

PSCI 460 has been on the books for some time. It clearly pertains to this option so should be added to it so it can be easily counted in Degree Works instead of on an ad hoc basis by the chair.

Thank you.

VII. SUBMISSION
