3,132 students contributed 103,934 hours of service to the community as both service learners and volunteers!

115 community partner organizations were served by UM students through service learning and extra-curricular projects

$2,643,042 = the economic impact of student volunteer hours

54 courses included a service learning or volunteer component (26 designated service learning courses)

“The program provided a meaningful experience by showing how a small group can end up having a large impact on the local and national levels.”

Spotlight

“Last year’s food drive collaboration between the University of Montana and United Way resulted in thousands of family meals for our neighbors here in Missoula. These meals were distributed through Missoula Food Bank & Community Center’s EmPower Pack program, and went home on Friday afternoons with children who would otherwise be at risk of hunger over the weekend.”
-Aaron Brock, Executive Director of Missoula Food Bank

“The entirety of the trip was fantastic. The landscapes, the ability to learn from knowledgeable mentors, the comradery, and making new friends.”
