Hello Friends and Community Members,

The UM Advocates are hosting the World’s Largest Garage Sale on Saturday, April 9th, 2022, from 10 am to 2pm in the Mansfield Mall, between the University Center and the Mansfield Library.

We would love for you to join us in selling your goodies and creations. You might find clothes, first-year essentials, apartment décor, knick-knacks, baked goods, along with handmade jewelry and artwork. If you would like to sell things with your friends, your local business, or even yourself, you can expect to have an 8’ space.

- Each space will be issued for $25.
- You may begin set up at 9 am. Please note that tables will not be provided, and you must clean up all materials.
- Sellers are not to damage, or otherwise alter any University property. You are also responsible for monitoring of their booths at all times.
- Please be aware that there will be hundreds of people in the area at the time, and theft is possible. The University of Montana and the UM Advocates will not be responsible for the theft of any materials.
- NO FIREARMS ALLOWED FOR SALE!
- Spots will be reserved for sellers on a first-come, first-serve basis upon receipt of registration fee. Please fill out the Vendor google form here, and get your payment in to secure your spot.
- Check or cash only please. (Please make checks payable to University of Montana).
- You can either drop off the payment at Aber Hall Room 419 or mail it to: UM Advocates, Garage Sale, Aber Hall – Rm 419, 32 Campus Dr., Missoula, MT, 59812.

If you have any questions, please contact Aliya Peek. She can be reached by email at aliya.peek@umontana.edu. Thank you so much for supporting the University of Montana Advocates!
