

ARCHAEOLOGICAL FIELD SCHOOL IN BRITISH COLUMBIA (ANTY 467)

Department of Anthropology, The University of Montana

Dates: May 18-June 29, 2022

Professor: Dr. Anna Marie Prentiss

SIX UM CREDITS; No prior archaeological field experience required.

Participate in excavation at the famous **Bridge River Housepit Village**, located near Lillooet, British Columbia. The course will offer a diverse array of opportunities for participation in excavation, mapping, and field lab work.

An estimated course fee of about \$2870 covers 6 UM upper division credits, lodging, meals, and some in-country travel. Students are also responsible for personal expenses and travel to the field site though some car-pool options will be arranged. The field school is planned pending developments with the COVID-19 pandemic.

The Bridge River Archaeological Project is a partnership of the University of Montana and Xwísten, the Bridge River Indian Band. Research in 2022 is partially funded by the US National Science Foundation.

Excavations at Housepit 54, Bridge River site in 2016

For course information or to apply for the field school, contact Dr. Anna Prentiss at anna.prentiss@umontana.edu. To apply, please submit letter of interest, letter of recommendation, unofficial transcript, and résumé/CV. Must have valid passport. All personnel must be vaccinated for COVID-19 to enter Canada. All personnel will likely be required to have a negative COVID-19 test before entering Canada ([COVID-19 vaccinated travellers entering Canada - Travel restrictions in Canada - Travel.gc.ca](https://www.canada.ca/en/immigration-refugee-citizenship/services/visiting-canada/entry-requirements/health-requirements/covid-19.html)). Applications due April 1, 2022 (or sooner).
