Whereas, The Associated Students of the University of Montana (ASUM) represents the interests of the students of the University of Montana (UM);

Whereas, The 6-Mill Levy has been a “primary component of University funding in Montana”\(^1\) since 1948;

Whereas, The 6-Mill Levy has been placed on the ballot and will be voted on in November of 2018;

Whereas, The 6-Mill Levy provides about $19 million dollars per year, which is approximately 10% of the total state appropriations for higher education, amounting to around a $12 tax per year on a $100,000 house;\(^2\)

Whereas, The funds from the 6-Mill Levy “are used to directly support, maintain, and improve the Montana University System (MUS);”

Whereas, The 6-Mill Levy helps to balance the state budget overall, which eases the burden of funding for other state entities;

Whereas, Without voter approval, the 6-Mill Levy will expire and leave the MUS in need of an additional $20 million from the state general fund until at least 2028;

Whereas, Without voter approval of the 6-Mill Levy, the difference in funding necessary would require an 18% increase in student tuition;

Whereas, The 6-Mill Levy has already been endorsed by Montana Associated Students, Montana Chamber of Commerce, Montana Economic Developers Association, Montana Farm Bureau Federation, and the MEA-MFT (Montana Education Association and the Montana Federation of Teachers);

Therefore, Let it Be Resolved, That ASUM endorses the passage of the 6-Mill Levy and will strongly advocate for its approval;

Therefore, Let It Be Further Resolved, That ASUM encourages the UM Administration to take steps to promote the passage of the 6-Mill Levy;

Therefore, Let It Be Further Resolved, That ASUM encourages the UM Faculty and Staff Senates to support the passage of the 6 Mill Levy;

Therefore, Let It Be Further Resolved, That ASUM encourages other student governments in the MUS to pass resolutions in support of the 6-Mill Levy;
