\*Terms were combined where they shared themes in responses

## ***Time***

Example responses:

- "I'd say now just time commitment."
- "Time and commitment. Partly motivation but not as much."
- "Time, I do not have enough time in my day."
- "Time - just so many different factors such as working and job."
- "Time that I have available."

## ***Work/School***

Example Responses:

- "I work full time and go to work full time."
- "Work and hobbies."
- "Free time with the work schedule and getting people to buy into the message."
- "I feel like my work just eats of my life. I feel like i don't have the time or the energy."
- "Always being at work, I travel for work."
- "naturally my personality is personal responsibilities to focus on school and work not that that's a good thing but it's kind of what I end up doing."

## ***Finding/Opportunity***

Example Responses:

- "Where to start. Where to find the organization that will help the community."
- "Probably finding good opportunities to be involved. Finding the time as well."
- "Finding the right opportunities. Understanding what your community needs are and how to help them. It's difficult."
- "Finding people interested in the same activism I am."
- "Finding the right avenue to address an issue."
- "Maybe like lack of events or opportunities."

## ***Money/Resources***

Example Responses:

- "Money of course. Money rules the world. I can talk until I am blue in my face, but money has the most influence."
- "Money, time, and resources."
- "Money, because it is hard to start anything without a lot of capital these days."
- "Money and resources opportunity to use them effectively."
- "The biggest is poverty. My community is very poor and there is not a lot of money coming in for us to do much."
- "I would say probably just having the resources and time to be able to make a difference, and find people who need that time and resources."
- "Lack of resources which creates lack of access & interest for many."

## ***Knowing***

Example Responses:

- "Probably not knowing what is going on."

- “Maybe knowing when things are going wrong, seems like you only find out about it afterwards.”
- “Knowing what opportunities are out there to help.”
- “lack of knowledge on how too.”
- “Easy access to clearly defined opportunities. Not knowing what more or next steps i can do in my community”

### ***Political***

Example Responses:

- “Current political leadership, old boys club.”
- “I would say political differences in my community makes me hesitant to discuss politics among other things.”
- “Not very hospitable here for my political views. We are a pretty deep red state and people do not take kindly to a socialist.”
- “Political forces beyond my control.”
- “I do not like disagreements, so I do not involve myself in political conversations and just like to keep the peace.”

### ***Involvement***

Example Responses:

- “For me it is to get people involvement and create sense of ownership in the community.”
- “Community involvement, I can’t do it on my own so I need to get others involved and that is not always easy to do.”
- “People are not interested in listening. that is the biggest thing.”
- “I don't know how to answer that question. I like group involvement and that's not offered here or at least I don't see it advertised.”
- “Probably the biggest barrier I have is lack of funding and lack of community involvement.”

### ***Family***

Example Responses:

- “I’m stretched very thin. I am involved in community meetings, committees, etc., and still maintaining my family and home. I'd like to be more involved, but not at the cost of putting my family behind all that.”
- “Being a minority, low income and having family obligations and low income. It’s a constant uphill fight to maintain and develop family unity when your low income and finding time to engage and make a difference in your community is very hard and tiring, especially when you are a minority in that community.”
- “I work full time and am a part time grad student and I have my family to take of.”
- “Time and commitment, family and having an ill wife.”
- “Just my work schedule & my family life.”

## **Access**

### Example Responses:

- “Access to people that actually can do something about the issues. Access to the politicians. I feel bad to say this that two of my relatives are politicians. If they came to the senior center I would talk to people. “
- “Access to resources.”
- “Lack of resources which creates lack of access & interest for many.”
- “Ideological and socioeconomic differences between those in positions of power and those who are working for greater accessibility; equity; preservation and protection of ecosystems; fighting oppression; demanding fair and equal representation.”

## **Young**

### Example Responses

- “I feel like I’m a little too young still to have a big impact.”
- “Being young, it is hard to talk to people being young because they do not pay attention to you.”
- “Being my age, being young, that seems to be kind obstacle.”
- “Opportunities for young people to engage close minded community and lack of non profit volunteer opportunities.”
- “The "Good Old Boy" system of politics has become more evident. New young leaders with good ideas and transparency will have a greater impact for any community.”
