#### PROGRAM INFORMATION

Bitterroot college offers an affordable avenue to pursue a career in the healthcare industry. Students complete prerequisite & co-requisite coursework at Bitterroot College and then apply for nursing program admission at Missoula College. Graduates earn their Associate of Science degree in Nursing (ASN) preparing students to be excellent nurses who will play a vital role in patient care and recovery. Students obtain knowledge and skills to promote health, prevent disease, help patients cope with illness, and be an advocate for patients, families and communities.

#### CAREER OPPORTUNITIES

Registered Nurses (RNs) are employed in many different healthcare settings providing direct patient care, assessing, and recording symptoms, reactions, progress and outcomes. RNs also collaborate with other healthcare team members to help patients take steps to improve or maintain their health.
