Distribution of Student Majors –

Current Algorithm:

- Contains <u>ALL</u> declared majors (including *declared* certificates) for each year from FY15 on (source Banner data)
 - Only two degree levels and two programs of study are included in the numbers pre-FY15. (Max 4 per student)
 - Limitation of data available in our data sources
- Students Count 1 time for each award level for each term
 - Example: Student is in 2 degree programs in Fall and Spring plus a certificate is declared for spring.
 - Student counts in numbers 5 times
- Departments that moved colleges are reflect in the college of association for that year.
 - Example Geography is in H&S prior to FY19 and Forestry starting in FY19
