Successful completion:

Participants will complete an on-line evaluation that will be emailed at the end of the conference or the end of the day for those attending only one day. No partial day credit is allowed. Evaluations will indicate if/how knowledge/skill gained from this activity will improve their competence, performance and/or patient outcomes and if/how the content learned will impact their practice.

** The online evaluation must be completed; it is linked to the email provided at registration.

None of the individuals with the ability to control the content of this activity have any relevant financial relationships with ineligible companies to disclose.

This nursing continuing professional development activity was approved by Montana Nurses Association, an accredited approver with distinction by the American Nurses Credentialing Center’s Commission on Accreditation.
