

December 8, 2020

Hello Exhibitor,

The **2021 Rocky Mountain Stroke Conference** is fast approaching! In order to best serve our healthcare community, the conference will be offered for FREE and virtually in six individual 1-hour lunchtime sessions. Webinars will be presented on **Thursdays from noon-1:00pm (MST), April 22-May 27, 2021**. This virtual conference series is not to be missed! So far we have Physicians, Nurse Practitioners, Physician Assistants, Nurses, EMS, Pharmacists, Students, Therapists, Stroke Coordinators, and other Health Professionals, waiting to register and attend.

The 2021 RMSC conference continues to provide an excellent opportunity for exhibitors to virtually showcase the “latest and greatest” in their industry. The upcoming virtual exhibitor opportunity includes:

The Virtual Exhibitor Showcase

- Virtual Showcase Placement on Conference Website (company logo & link, mission or bio statement, and contact information)
- Opportunity to Promote New Products and Services
- Showcase Promoted in Registrant Emails and Publications

If you are interested in exhibiting on the website during this innovative event, please complete the Exhibitor Questionnaire on the Rocky Mountain Stroke Conference website www.umt.edu/ces/conferences/rmsc/default.php no later than **Friday, March 19, 2021**.

Please let me know if you have any additional questions.

Regards,

Michelle E.

Michelle Eckert, Rocky Mountain Stroke Conference Coordinator
