Welcome

We are extremely excited for the seventh summer of Youth Camps at the University of Montana Campus Recreation. Thank you for registering your camper with us! We look forward to being a part of your child’s summer.

At our Youth Camps we are committed to giving campers a diverse recreational experience. We will be focusing on the activity theme-of-the-week each morning, and afternoon activities will vary. Our camper to staff ratio during our themed activities will be at maximum 10:1. On Monday, Wednesday and Friday we will head to Grizzly Pool for swim lessons in the afternoon. At Grizzly Pool the ratio will be at maximum 5:1. On Tuesday and Thursday afternoons the activities will vary and the ratio will be 10:1. The Tues./Thurs. activities are outlined in a later section of this document and updated online when we make additions or changes.

Please take the time to read through this manual. It contains important information to assure a successful camp for all parties involved.

If you would like this manual mailed to you please send us an e-mail, and we would be happy to send it through USPS.

General Camp Policies

Free Play
At times, Campus Recreation Youth Camps provides campers the opportunity to engage in free play. During these times we provide equipment and supervision, however, we do not provide instruction. This gives campers the opportunity to engage in freely chosen and camper directed activities. Counselors can jump in and play if asked by campers, otherwise they will supervise. We will limit free play time and provide campers with guided activities most of the time, however, we want to make you aware of this commitment at our camp. Specific times you may see free play is during drop-off time, lunch time (after they have eaten), Pre-Rec and After-Rec Hours, swim free time after their lessons.

Counselor Cell Phone Use
You may see our counselors using their cell phones periodically throughout the camp day. We provide all of the counselors their curriculum and schedule through google docs. This allows them to reference information during any point of the day. Also, due to having so many moving parts to our camp we often have to relay information from the office to our counselors. We do this via text messaging; this is the quickest and most efficient way to make sure we are all on the same page.

Restroom Use
When we are at either Riverbowl or Dornblaser fields the campers have access to a portable toilet. If we are in the Fitness and Rec Center, Grizzly Pool, Dornblaser Track and Field or near a university building we are able to use a regular restroom facility. However, at Riverbowl and Dornblaser we do not have this option. The portable toilets allow us to maintain our camper to staff ratio and maintain our counselor policy of not allowing unsupervised one-on-one interaction with campers and counselors.

Sunscreen and Snack Reminders
We train our staff to remind the campers to apply sunscreen throughout the day. However, please put sunscreen on your camper before the camp day begins. Also, teach your child how to apply their own sunscreen so our counselors can spend their time preparing for activities, instructing activities, or interacting with the campers. Key times we remind them are: mid-morning, at lunch, and mid-afternoon (specifically after swim lessons).

We also try to remind the children to eat their snacks and their lunches at the designated snack/lunch time. Please remind your children how important it is to fuel up for their busy and active day by eating their breakfast at home and snack/lunch during the camp day.

Camp Age Requirements
We require campers to be entering kindergarten through 6th grade in the upcoming school year. Our camps are designed with these ages in mind. In special circumstances we will allow a child who is about to turn five, but will not enter kindergarten, to attend camp. However, our camps have many moving parts and the children are required to walk to and from camp activities spread around campus. Some four year olds can handle it and some become exhausted quickly. You know your child best and we will let you know if it appears camp is too much for them. They also need to be capable of changing themselves in and out of their swimsuits, and use the restroom on their own.

Absent Campers
If your camper is going to be absent please communicate with us. If you know ahead of time you can call 406.243.5295, or let the counselor who is checking your camper in or out know prior to the absence. If the child is unexpectedly absent and you need to let us know the day of, please call our camp “in the field” cell phone.
**Contacting Camp**
If you have general camp question, want to register over the phone, or have a concern please call our general camp number at 406.243.5295.

If you need to get in contact with your child or have information to relay to our staff while your child is at camp please call our “in the field” cell phone, this will be emailed to you the week before camp.

**Swim Lesson Format**
On Monday, Wednesday, and Friday afternoons we have swim lessons for all full day campers. We have 40 children in the pool at the most at one time, with 1 swim instructor to a maximum of 5 children. In addition, we have 1 pool aid in the water and 3 lifeguards at all times. The children spend about 25 minutes in the swim lesson and 15 minutes in free swim. During swim time, we do not want parents observing their children from the bleachers in the pool. This is for the purpose of keeping all the children feeling safe and encouraging each of them to have a sense of autonomy while at camp. During free swim children can take a swim test to have access to the deep end and the diving board. To pass this test they must swim the width of the pool and back. On the way down they have to swim with their belly down, and on the way back they must swim on their backs. Children who choose to stay in the shallow end can swim freely or with a life jacket if they need. The Grizzly Pool is an Olympic size pool; therefore we do not have a “wade-in” area. During lessons the younger children who are still learning to swim utilize our “tot” docks aka swim platforms. These docks allow the children to touch a hard surface with their feet, but during free swim we remove these docks.

We utilize the Grizzly Pool locker rooms to have the children change into and out of their swim suits. They are also required to take a quick shower after putting their suits on before entering the pool. Prior to our first group entering the pool, the Grizzly Pool offers lap swim to our patrons. This results in a short overlap in the locker room when an adult can be changing at the same time as the children. When this happens the counselors in the locker room assure the children change in an area away from the adult(s).

**Mid-Week and Mid-Day Announcements from Director**
In an effort to communicate mid-day camp announcements (drop off or pickup changes due to weather or reminders) we use an app that will send text and notifications straight to your smart phone. You have to opt into this by clicking on the link and creating an account. If your camper is attending more than one of our camps there will be a new link each session. You will only need to create an account once, but will have to add each session as a class once you get the link. The link for each session will be sent out in the email we send the week before each session. We will also send emails through our registration system but this might be a quicker way to get the word out. This is optional, if you choose not to sign up for this please make sure you check your email periodically throughout the day in case we have camp updates. This email will go to the email used during the registration process. If you would like to include other people’s emails to these notifications please email natalie.hiller@mso.umt.edu with these additions.

I understand that my failure to acknowledge and accept these risks will disqualify me from gaining access to, and use, the programs. By accepting this you acknowledge and accept the inherent risks provided with this program.

I hereby acknowledge that certain risks of injury are inherent to participation in Youth Camps’ recreational and classroom activities. These types of injuries may be minor or serious and may result from the camper’s actions, or the actions or interactions of others, or a combination of both. I understand that certain activities require a minimum level of fitness and health (physical, mental, and emotional) and that each person has a different capacity for participating in these activities.

I agree that as a participant in the above program(s), I am responsible for my own behavior and well-being. I understand that in event of accident or injury, personal judgment may be required by program personnel regarding what actions should or must be taken on my behalf. I acknowledge that UM Campus Rec personnel may not legally owe me a duty to take any action on my behalf.

I also understand that it is my responsibility to secure personal health insurance in advance, if desired, and to take into account my personal health and physical condition. I have no serious health issues or problems that would preclude me from participating in the program(s) or that present an abnormal, unusual, or unreasonable risk of, or susceptibility to, injury. I further agree to abide by any and all Campus Rec rules and policies applicable to this program; I will take responsibility for abiding by specific requests made of me for my safety, the safety of others, or the welfare of any general interest concerning the program. I understand that UM reserves the right to exclude my participation in the program(s) if at any time my participation or behavior is deemed detrimental to the safety and welfare of others.

I acknowledge that engaging in the program(s) may require a degree of skill and knowledge different from other activities and that I have responsibilities as a participant. I acknowledge that Campus Rec has been available to fully explain to me the nature and physical demands of the program(s) and the inherent risks, hazards, and dangers associated with this activity. I acknowledge that my participation in the program(s) is purely voluntary, and I elect to participate with full knowledge of the inherent risks. I knowingly assume all risks connected with the program(s), and agree, to the extent permissible by law, to indemnify and hold UM, its officers, agents, employees, and all third party property owners where the program(s) activities occur, from any and all demands, losses, damages, causes of action, suits, and liabilities of any kind, including the expenses of litigation, court costs, and attorney’s fees, for injuries to, or death or illness of any person, or for damage to any property arising out of or in connection with my involvement in the program(s).

FITNESS TO PARTICIPATE

I have fully informed myself of the contents of this affirmation by reading it before I signed it. I am of lawful age and legally competent to sign this affirmation and acknowledgement of risk. I assume my own responsibility of physical fitness and capability to perform the activities involved in the program(s). I understand if I have any question as to whether a physical or medical condition would prevent my full participation in the program(s), I will immediately notify a Campus Rec employee.

PHOTOS AND/OR VIDEO – PROMOTIONAL USE

I agree to allow UM to use photos and or video of me engaged in the program(s) for promotional materials, grant purposes, or any other reason.
