If one of the above facilities is requesting that this authorization be completed, an individual has the right not to sign with the understanding that an individual's health care and the payment for health care will not be affected. I understand that this authorization may be revoked by me at any time, provided that I do so in writing and submit it to the Health Records Department, up to the extent that the disclosure has not already been made. I also understand that my protected health information may be re-disclosed by the recipient and no longer protected under federal law. Authorization will expire in **6 months** from my signature, **or a lesser period of time** as specified here: ______________

______________________________ ______________________
Student Signature OR Legal Representative/Guardian **Date**

Relationship to patient: ______________________

Legal representative/guardian must present supporting legal documentation and description of person's authority.

* This information has been disclosed to you from confidential records, which may be protected by federal and/or state law. If the records are so protected, Federal Regulation (42 CFR, Part 2) prohibits you from making any further disclosure of this information unless disclosure is expressly permitted by the written consent of the person to whom it pertains, or as otherwise permitted by 42 CFR Part 2. A general authorization for the release of medical or other information is NOT sufficient for this purpose. The Federal rules restrict any use of the information to criminally investigate or prosecute any alcohol or drug abuse client.
