

Number of Graduates/Completers

	Initial Completers	Advanced Completers	Overall Program Completers
2016-17	163	156	319
2017-18	154	160	314
2018-19	144	148	292
2019-20	133	53 ¹	186
2020-21	128	51	179

¹ This decrease is due to a categorial change in Montana's definition of advanced programs to only include Class 3 and Class 6 licenses to the areas of principal, superintendent, school counselor, and school psychologists. This removed added endorsements plus the Creative Pulse, the MA in Math Ed, the MA in English Teaching, the MA in Music, non-licensure students in EDLD and T&L, as well as master's degrees in CSD.
