University of Montana Teacher Education Program Application
Criminal Background Check Authorization

Because I am seeking admission to the Teacher Education Program through the Phyllis J. Washington College of Education at the University of Montana-Missoula, I hereby purposely and voluntarily agree to give the University of Montana (UM), its employees and any school district where I might be placed for a clinical experience, the right to request a fingerprint-based background check regarding any criminal record in connection with my placement for any clinical experiences.

I hereby authorize UM, its employees, or any school district where I could be placed for a clinical experience to request and receive any public criminal record information that may be in the files of any state or local criminal justice agency. In addition, I hereby authorize the University of Montana and its employees the right to share the information received with any school district where I may be placed.

I understand that the costs of the fingerprint-based background check(s) are mine alone and that failure to complete a satisfactory criminal background check may disqualify me from receiving a clinical placement required for me to complete the Teacher Education Program at the University of Montana.

Montana law gives the Board of Public Education the authority to issue a letter of reprimand, suspend, revoke, or deny teaching licensure. See Montana Code Annotated (MCA) Section 20-4-110. The Montana Office of Public Instruction will review all applications for licensure, including an examination of the candidate’s criminal history. Acceptance into and completion of the Teacher Education Program does not guarantee eligibility for teacher licensure by the State of Montana.

Policy states that all teacher education candidates must complete a fingerprint-based national background check prior to placement in any clinical experience. Pursuant to University of Montana policy, a criminal record does not necessarily prevent a candidate from beginning or succeeding in the program. However, it may complicate clinical placement opportunities that could interfere with a candidate’s ability to meet requirements for program completion.

Review the following statements. **Initial each statement** to indicate your understanding.

_____ I acknowledge that I have read the Background Check Admission and Clinical Experience Procedures as found in the Teacher Education Program Handbook.

_____ I acknowledge that I have read and understand the Professional Behavior Expectations for candidates in the Teacher Education Program Handbook.

_____ I understand that the Director of Clinical Experiences reviews background check results and may contact me to discuss circumstances and potential implications of criminal convictions that appear on my record pursuant to MCA Section 20-4-110 and University of Montana policy.

_____ I understand that background check results may be shared with P-12 administrators for clinical placement purposes. School administrators have final authority and a criminal conviction record may delay or prevent clinical placements that are required for completion of the Teacher Education Program.

_____ I acknowledge that I have read and understand the text of MCA Section 20-4-110.

_____ I understand that while enrolled in the Teacher Education Program, I am required to immediately disclose any occurrence of the following to the Director of Clinical Experiences:

- charges or convictions other than a minor traffic violation;
- arrest, indictment or conviction of felony charges.

Failure to notify the Director immediately may result in delay of program completion or removal from the program.

_____ I understand that any charges other than a minor traffic violation may result in removal from a clinical experience or student teaching assignment until the matter is resolved. If convicted of a felony, my enrollment status will be reviewed pursuant to Montana Board of Regents of Higher Education Policy and University of Montana policy.

**I understand the information and requirements presented.**
