M.S. Research Proposal Approval Form

Name: ________________________________________________________________

ID: 790 ________________________________________________________________

We have read the thesis proposal of this student and formally accept it as the guide by which the thesis research will be conducted. We realize that slight modifications may occur during the course of this research. However, the focus and scope of this research will remain the same. Should changes in the research be significant, a new proposal (and committee approval) will be required.

Thesis Title: ____________________________________________________________
________________________________________________________
________________________________________________________

By signing this form, we accept this proposal:

Advisor (Chair): __________________________________________ Date: __________
________________________________________________________ (please print name)

Committee Member: __________________________________________ Date: __________
________________________________________________________ (please print name)
