W.A. Franke College of Forestry and Conservation
Graduate Student Orientation
Fall 2022
August 24 – 12-5pm
Location: Forestry Building 106

The FCFC new graduate student orientation is designed to provide students with resources for a strong start to graduate school. Students will have a chance to meet key people in the college, learn about resources available to them, and learn about procedures and requirements for graduate school. Graduate school is a new, exciting and, intense adventure. It is not undergrad part two. Please attend to begin to learn about this new chapter in your education.
