

## Level II Form

Attach to full proposal for level II changes.

I Summary of Proposed Changes			
Department/program	University of Montana Humanities Institute		
Summary	<p>The University of Montana Humanities Institute sustains and advances the scholarly work of faculty and students who desire to explore, illuminate, and expand human self-understanding. The Humanities Institute supports a variety of approaches to scholarly inquiry about thought, literature and culture. This mission encompasses traditional liberal arts disciplines (history, languages, literature, philosophy, and religious studies), humanistic work that takes place in other disciplines, and models of inquiry that cross disciplinary boundaries or develop new approaches.</p>
