

Procedure	One-time Only General Education Courses
------------------	--

Procedure Number:	202.30
Date Adopted:	11/22/85
Last Revision:	9/2006
Approved by:	ASCRC

In order to accommodate the possibility that a special course taught once only might be well suited for general education, ASCRC can consider proposals that meet the following requirements:

- The course must be taught as a Special Topics course using the numbers 191, 291, 391, or 491 (formerly X95).
- The General Education Course Request Form, including both a paper copy and electronic copy of the syllabus, must be submitted to the Faculty Senate Office, UH 221 (camie.foos@mso.umt.edu).
- The General Education Committee will consider the request and present it to ASCRC for approval.

One-time-only general education designation may be requested for experimental courses (X91), granted only for the semester taught. A NEW request must be submitted for the course to receive subsequent general education status.
