3. Once logged in select the 'Financial Aid' tab:

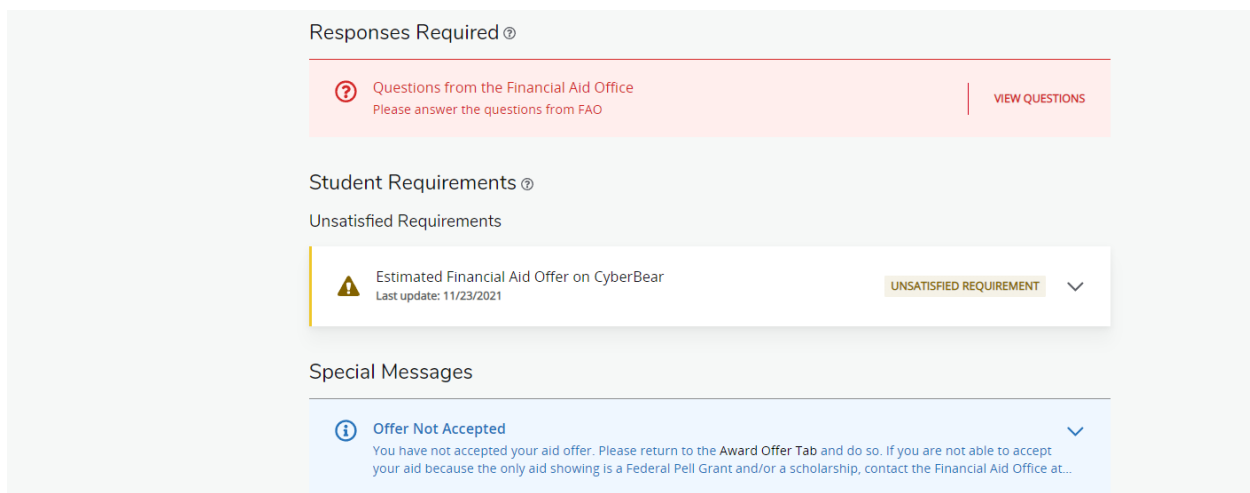

4. In the dropdown select the Aid Year that applies to your award.
TIP: For the aid year that includes the Autumn Semester 2022 through Spring Semester 2023, you will want to select the 'Aug 2022 – Jul 2023' option.

5. Here you can review outstanding requirements and special messages pertaining to the selected year. Ensure you answer the 'Responses Required' before continuing. This will ask you to;
- Decide on what types of charges you'd like your federal (Title IV) funds applied toward.
 - Provide information on your expected credit load per semester
 - Estimate graduation date for current major/degree, and
 - Information on any sort of outside educational funding you will received that year
 - Tuition Assistance Programs and Military Benefits do not include VA Tuition Assistance or VA (VocRehab).

Click 'Submit' to confirm your answers; submit button will become inactive after confirmation.

○ NOTES:

▪ Cost of Attendance:

- Q: Why is there Room and Board showing when I'm living off-campus?
- A. We include the average costs of living (which includes room and board expenses) for **all** UM students, regardless of where they are living (i.e. on or off campus).

▪ [Expected Family Contribution \(EFC\):](#)

- This is not what you are expected to pay UM for the year, it is a number generated by your FAFSA, which helps determine the types of aid programs you are eligible for that aid year.

▪ What are all these different fund types?

- You can view information on the various types of financial aid, their eligibility requirements, and much more by visiting:

<https://www.umt.edu/finaid/types-of-aid/default.php>

- **TIP:** The Cost of Attendance is based on averages, we recommend using these figures as ballpark estimates for your expenses when determining how much aid to accept or what to budget for the items listed. If you would like to determine how much your individualized budget would be, please contact our office.

7. Grants and Scholarships will have an 'ACCEPTED' status by default and cannot be changed.
