The U.S. Department of Education has selected your application for a process known as "verification". As a result, we are required to verify your identity. If unable to appear in person at The University of Montana's Financial Aid Office, you must verify your identity by appearing in person and presenting a federally approved form of photo identification (examples are listed below) to a Notary Public. When submitting this form to the Financial Aid Office, attach a copy of the photo identification you presented to the notary.

- A valid government issued photo identification, such as but not limited to a driver's license, other state-issued ID, or passport.

Note: Only an original notarized statement is considered satisfactory for verifying identity. All faxed, emailed or copied versions of this form will be rejected. Aid cannot be disbursed until the requested documentation is received and reviewed by the Financial Aid Office.
