Missoula College Max Credit Review to Extend Federal Financial Aid Eligibility

Name: _____ UM ID#: _____

Address: _____ City: _____

State: _____ Zip Code: _____ Phone#: _____

This form is used to determine whether a student will continue to be eligible for federal financial aid as detailed in the maximum time frame section of the SAP policy on [UM's Financial Aid Maintaining Eligibility page](http://www.umt.edu/finaid/maintaining-eligibility) (www.umt.edu/finaid/maintaining-eligibility).

Special Notes:

- Students can only receive aid for courses required for their program which usually includes an option but not a minor.
- Students enrolled in dual degrees or dual majors must complete the requirements for one of the degrees in the required time frame.
- Students who appeal and have their eligibility extended are expected to complete their degree within their revised credit limit. If the student does not pass all their classes or does not complete their degree within the extended credit limit because they take additional course work not required for their degree, they may need to apply to extend their credit limit again and may not receive approval under the revised plan.
- If a student only has one remaining course that is less than six credits, they will not be eligible for federal student loans for that semester so students should plan accordingly.
- There are limits to the number of terms a student can receive a federal Pell Grant and to the amount that a student can borrow through the Federal Direct Student Loan program. If those limits are reached, a student is no longer eligible for aid from that program even if overall federal aid eligibility is reinstated.
- If a student has reached the max credit threshold and they are also on financial aid suspension, they should submit this max credit form and the SAP Appeal Form. The max credit form will be reviewed first. If the student can still complete the degree within the required time frame, then the SAP appeal will be submitted for review by the appeals committee.

_____ If you have submitted an MC Application for Certificate/Degree to the Registrar's Office check this line and go to step 4.
