New Student Scholarship Appeal Form

The University of Montana is committed to providing a fair and consistent scholarship awarding process. This appeal form is for University of Montana Academic Achievement Scholarships and WUE that are awarded based on academic merit. This is determined via high school GPA, or transfer GPA.

The Scholarship Appeals Committee recognizes that there can be extenuating circumstances that would require a review of an award, such as new test scores, a revised GPA, or unforeseen life events that may have impacted a student’s academic performance. Please provide documentation that helps support your claim within your letter. Such as updated test scores, final transcript, documentation supporting unforeseen life event.

Once the committee reviews the scholarship appeal, an email will be sent to the student at their UM student email address regarding the decision or asking for additional information.
