

University of Tasmania Credit Transfer Information

Full-time credit load (undergraduate)

The University of Tasmania (UTAS) uses percentages of a full time load to determine the weight of a class (unit). Each unit has a weight which is its proportion of 100% load per year. Most units have a load weight of 12.5%, so 8 x 12.5% units usually make up 100% load. Students usually take four courses, weighted at 12.5%, per semester. UM students who pass 4 units will receive 16 credits at The University of Montana, or 4 credits per unit.
