

REQUEST FOR EXTENSION OF GRADUATE PROGRAM

Name: _____ ID#: _____

Degree Program: _____ Department/School: _____

Anticipated Completion Date: _____

Faculty regulations at The University of Montana stipulate that all requirements for a Master's or Doctoral degree -- including those met by transfer and Graduate Non-degree courses -- be completed within the required time-limit. (Master's degree – 5 years; Doctoral degree – 7 years; School of Education Master's degree - 6 years, School of Education Doctoral degree – 10 years, & Educational Specialist degree – 8 years.) This is an academic, rather than a procedural, requirement; extensions will be approved only if unusual circumstances have delayed progress toward the degree, and only if the student and adviser have agreed to a firm schedule for completing all degree requirements. Requests for extensions should be submitted prior to the end of the student's time-limit.
