Welcome to UM Housing

Home away from home...

The UM Housing Staff are great resources and happy to assist you! The main UM Housing Office is on the first floor of Turner Hall and is open Monday-Friday from 8:00 am-5:00 pm. Your Area Desk is open Monday-Thursday 8AM to 8PM and Friday 8AM to 10PM, Saturday 10AM to 8PM, and Sunday 10AM to 8PM. We encourage you to contact your Resident Assistant on your floor/wing, the Community Development Coordinator, or Senior RA in your area with any questions or concerns you have while living on campus. Additionally, Area Coordinators and Community Directors, our professional live-in staff members, are also available in your building communities during business hours.

It is important to become involved in your UM Housing community. UM Housing offers a number of ways to get involved with your community, from Programming and Activities Councils (PACs) to RA-planned events and programs, and more! Talk with your RA about how to get involved with your community.

The residence halls are owned and operated by the University on a self-supporting basis. This means your room fees pay for the cost of operations (e.g., utilities, maintenance, and staffing), capital improvement work, and repayment of money borrowed for the original construction and the interest on these loans. These buildings are your University home. Your cooperation, personal concern, and care are needed to avoid any unnecessary and wasteful expenses such as damage repair and replacement.

No community is entirely risk free. Crimes take place in our society as well as on our university campuses. The University and the UM Housing Office want to encourage you to take joint responsibility for your safety here on campus. The best protection against criminal activities is for all residents, faculty, and staff to be aware of and report any suspicious acts. All members of our community can reduce the risk of campus crime by being responsible for their personal safety and taking practical precautions.

Whenever it becomes necessary to change our policies or regulations, we will notify residents via their University email. These policies are reviewed and updated annually, and the updated policies go into effect in August of each year. Continuing residents will be notified of the updated policies via their University email and will be expected to abide by the current policies regardless of date of occupancy.

Helpful hints for your safety...

Always. . .

- Be aware of your surroundings. If something seems like a problem, say something. It's up to you!
- Lock your door at night or whenever you leave the room.
- Lock your vehicle.

- Frequently check your University email for important campus and safety updates.
- Tell your roommate/friends where you're going and when you plan on returning.
- Call GrizWalk at 406-243-2777 to be escorted across campus or walk in groups.
- Look assertive and confident and be aware of your surroundings.
- Trust your gut feelings. If you feel uncomfortable, get out of the situation.
- Know where the emergency phones are on campus (lit with a blue or green light).
- Contact your Resident Assistant or a UM Police Officer at 406-243-6131 if you have a problem or see something/someone that you think is unsafe.
- If there is an emergency, call 911 immediately.
- Take advantage of educational programs in your hall.

Never. . .

- Leave your room unlocked when you are not home. If you have misplaced your access card, please request a temp access card from your Area Desk. If you believe the access card is permanently lost, new ones can be requested for \$25 through the main UM Housing Office in Turner Hall.
- Prop open the hallway or outside doors of buildings. They are locked for your safety.
- Let people in the building you don't know. They will have Griz Card access if they are allowed to access the building.
- Lend your Griz Card or access card to friends.
- Put social norms or etiquette before your own personal safety.

Electronic Monitoring

All outside doors and certain public access areas within the residence halls are monitored using electronic devices such as video cameras and door access readers. This monitoring is for the protection and safety of the residents and UM Housing property.

Access Cards and Locks

The University of Montana assists students in protecting their personal property as well as the property of the residence halls by providing each student with a room access card. Students access the outside residence hall doors and hallway doors (where applicable) using their mobile credential (GrizCard) and will be issued a room access card (where applicable,) when checking into the residence halls. The University of Montana is updating Residence Hall room locks; some rooms may still need an access card, while other rooms will use mobile credentials. Each student must return this card at the time they move out of the residence halls. Charges will be assessed if room access cards are not returned at the time of move out.

Outside residence hall doors (except Turner and Aber during business hours) are locked 24/7. Students are advised to have their access cards and Griz Card on them at all times.

UM Housing and the students are jointly responsible for safety in their communities. Residents can take responsibility for their own security of the hall by locking their rooms, reporting suspicious behavior, and not propping open doors. UM Housing offers periodic personal security programs in order to help provide a safe and secure community for its residents.

If a resident loses their access card, a temporary card may be obtained at the Area Desk. The temporary card checkout fee is \$10.00, which will be charged to the student's account. Temporary cards must be

returned within 7 days of checkout. After 7 days, the student will be charged for replacement of the temporary card (\$25.00)

Room Inspection

The University recognizes the right of privacy of all residents living in the residence halls but also reserves the right to inspect its property at any time for necessary reasons. For health, safety, or emergency purposes, it is sometimes necessary for a University staff member to enter a resident's room when they are not present. Every effort will be made to have one or both occupants of the room present when an inspection is made. Periodic inspection of rooms will be made by the Resident Assistant on each floor to check for cleanliness and safety, and to ensure that health standards are being maintained. Written notification will be made at least 24 hours before these health/safety inspections.

Mailing Address

Your mailing address consists of your first and last name, followed by your room number and hall name. Please do not include “University of Montana,” “32 Campus Drive,” or zip code “59812,” as this may delay delivery.

Example:

Monte Bear [Full Name]
123 Duniway Hall [Room # and Hall Name]
Missoula, MT 59801 [City, State, Zip Code]

Storage

The only storage available within the halls are the rental units located in Jesse, Knowles, Pantzer, and Miller Halls. Please contact the UM Housing Office for information on availability and cost. The rental units are for residents of any building and are available for the entire year. Residents should read their Residence Halls Storage Rental Agreement carefully before utilizing their storage unit. There are also privately operated storage units available throughout the local Missoula community.

Bicycles

Bike theft is very common on college campuses, so please be sure to always lock your bike up when you are not using it. We ask that residents park and lock their bikes up in the racks provided. Please do not store bicycles in stairwells walkways, or any public space inside the buildings, as this is against the State of Montana fire safety codes.

There are closets that can be used for bike storage in the Pantzer suites and in the Knowles Basement. In all other buildings, the resident can either leave them outside locked to bike racks or inside their individual rooms. If you choose to store your bike in your room, please be aware of potential damage when moving the bike around. Please contact the UM Police Department at 406-243-6131 for bike registration and bike safety information.

UM IT

UM IT provides free/low-cost tech support and computer help for students of the University of Montana. TECs provide support via phone at 406-243-4357 from 8:00 am-5:00 pm, Monday-Friday. Go to <https://www.umt.edu/it> or call to make an appointment!

Trash and Recycling

Residents are responsible for taking out their own personal trash. Personal trash should not be placed in the common areas (lounges, bathrooms, etc.). Instead, personal trash must be taken outside to the appropriate dumpsters or placed down the trash chute. Personal trash must never be placed in the hallways outside a resident’s room, nor may trash be swept into the hallway. Charges may be assessed to your student account if this occurs.

Recycling is located outside all residence halls for the following items: aluminum cans, newspaper, plastic, mixed paper, and cardboard. It is the responsibility of every resident to take their recycling outside. Recyclable products should not be placed down trash chutes.

Smudging

Any person wishing to smudge within UM Housing student living spaces must make their request by submitting the request form through the myHousingPortal. All submissions will be reviewed by the Director of UM Housing, and then the student will receive an official email from the UM Housing office regarding their request. **No resident may smudge on UM housing premises until they receive that email from the UM Housing office acknowledging their request** (submitting this form does not complete the process).

Hypodermic Needles

Some students have medical conditions requiring the use of needles. Improper disposal of hypodermic needles is dangerous, because these needles may carry blood-borne pathogens. Proper disposal of hypodermic needles is mandatory. A disposal container can be obtained at no charge by simply asking for one at the Curry Health Center (406-243- 2122). Please keep our campus and staff safe by properly disposing of needles.

Vending Machines

Snacks and soft drinks are available on the basement level, first floor, or 11th floor of your hall.

Energy Conservation

Energy costs are the most expensive items in the residence halls' operation. The residence halls do not receive any state or University funds and must pay for this cost out of room rental. Please help keep housing rates reasonable by conserving energy:

- Set room thermostat at 65.
- Close draperies when possible.
- Turn lights and other electrical appliances off when not in use.
- Report any malfunctions of heating/ventilating units to the Area Desk immediately.

Repair and Maintenance

If repairs or special maintenance are needed, please submit a work order via the myHousingPortal. If you need clarification or if it is an emergency, please contact your Resident Assistant or Area Desk. The UM Housing Office reserves the right to make assessments for special cleaning of residents' rooms, and for missing room furnishings including windows, screens, mattresses, etc. These charges may be significant. For purposes of safety, sanitation, and general upkeep, the University reserves the right to maintain and make repairs in the residence hall rooms anytime during the school year. Management and maintenance staff may enter any room for the above purposes whether the room's occupants are present or not.

Bed Height Options

All residence halls have adjustable/moveable furniture. Beds can be arranged in a number of ways, including standard height, captain height, lofted, or bunked. For additional information, or to sign up for these services, please log on to myHousingPortal at www.umt.edu/myhousingportal.

Personal Property

Residents should report any personal property that is missing from their rooms to their RA and the UM Police Department immediately. The information to be given should include: a complete description of the items and their value; whether the room was locked; whether an access card was lost recently; and any person suspected of the theft.

Do not leave personal property in residence hall common areas. Items left in common areas will be collected and discarded by UM Housing staff.

If a loss occurs outside the residence halls, the resident should report it to the UM Police Department. The University as a state institution is not responsible for damage to or theft of personal property on campus unless the loss is due to negligent or wrongful acts or omissions of University agents or employees. Insurance for personal property while on campus may be available through parents' homeowners' insurance, tenant's coverage, or purchased through a private company. UM Housing has a preferred vendor for renters insurance, GradGuard. Grad Guard has reasonable student rates. You can visit the GradGuard website by logging into your housing application or visiting https://enroll.gradguard.com/starRez_renters_enroll.

Common Area Damage/Vandalism

UM Housing is a non-profit enterprise. Rental rates are set at a level to cover expenses and do not include excessive damage costs. Our preference is to hold individuals responsible for damage caused intentionally or unintentionally. Students are encouraged to report in a timely manner any acts of vandalism or damage in their community to a member of the UM Housing staff.

Repair and maintenance costs will be assessed to the individual whenever possible. When individual(s) responsible cannot be identified specifically, costs will be shared by the smallest identifiable group of residents within a building, floor, wing, room, or suite. Examples of vandalism that may result in shared costs distributed within a community include, but are not limited to: bulletin board or signage ripped off walls; ceiling tile damage; damage to paint/vinyl in stairwells, hallways, bathrooms, floor lounges, or excessive cleaning needs, etc.

UM Housing may refuse, revoke, suspend, or reassign housing for a student or group of students based on inappropriate behavior or damages. If students are found responsible for malicious or careless damage to University property, they will be sanctioned through the conduct process. If no responsible individuals can be identified, common area damages will be assessed as outlined above.

Students may initiate transaction disputes via the myHousingPortal. Appeals of decisions may be made to the Dispute Appeals Committee.

Assignments

ADA Accommodations and ADA Accessible Spaces

All ADA related accommodations must be requested through the Office for Disability Equity (ODE) who will provide guidance to UM Housing regarding reasonable accommodations. UM Housing processes the housing accommodation requests received from ODE on a first-come, first-serve basis. Therefore, timely submission of housing applications followed by accommodation requests through ODE is critical.

UM Housing has multiple spaces that are fully ADA accessible. Students requiring housing modifications receive priority to these spaces. If you are living in an ADA accessible space and do not have an ODE accommodation to do so, UM Housing reserves the right to relocate you to a similar space in the event the space is necessary for a student requiring modifications.

Conditions of Occupancy

Residents agree that each of the terms of the housing agreement, as well as the University of Montana policies listed in the Tenant Handbook and the Student Code of Conduct, are conditions on resident's right to occupy the Premises.

Eligibility for Residence Halls for the 2026-2027 Academic Year requires that:

1. Students must maintain enrollment in the University of Montana as a student with at least twelve (12) undergraduate credits or six (6) graduate credits during fall and spring semesters.
2. First-year students enrolled in seven (7) or more credits are required to reside in the residence halls.
 - a. While students must maintain at least 12 credits to remain eligible to live in the residence halls, a reduced course load does not automatically cancel your housing contract.
 - b. First-year students enrolled in seven (7) through eleven (11) credits remain subject to the live-on requirement but must submit a minimum credit exemption request that includes a clear explanation of the student's academic enrollment plan and reason for being part time.
3. Students must demonstrate satisfactory progress toward a degree by successfully completing at least seven (7) credits per semester.

If your account is not paid in full at the conclusion of each semester, you will not be eligible to live in UM Housing for the following academic term or housing period until your account is paid in full. If you drop a class(es) and fall below the credit requirement during a fall or spring semester, you must immediately notify and submit a request to the UM Housing office to maintain your occupancy.

Individuals with convictions for violent or sexual offenses are prohibited from residing within UM Housing facilities. Additionally, individuals with felony convictions or who have been subject to suspension, expulsion, a no-trespass order, or similar restrictions from university-operated housing or any part of campus at any other institution, are also ineligible to reside in UM Housing facilities unless the individual was approved to live in UM Housing facilities through the Admissions Review process upon their admission to the University or a student conduct process produced a different sanction. These restrictions apply to any partners or dependents within any applicable UM Housing facility.

For extenuating circumstances, the resident can submit a request through the myHousingPortal to take fewer than the required number of credits in the fall or spring semester. Requests will be reviewed by the Executive Director of UM Housing and Community Standards or designee. All requests are subject to approval.

Room Changes

Room changes are allowed during the semester as space allows. No room changes are allowed during the first two weeks of classes in order to complete the semester audit. Once the semester audit is complete, and all students assigned to temporary interim rooms have been moved to permanent rooms, the semester room change waitlist will be used to move students around to available room spaces. The semester room change waitlist opens the first day of classes on myHousingPortal at www.umt.edu/myhousingportal. If you are having issues with your roommate, please talk to your Resident Assistant or Area Coordinator/Community Director. All room changes including room swaps must be approved by the UM Housing Office, and the room change agreement form must be completed before the move occurs. Each resident is allowed one free room change. After the first move, residents will be charged a room change fee of \$50.00 for each additional move per academic year.

Release During the Semester

Once you have picked up your access card, you are considered to be moved into the residence halls. In order to move out mid-semester, you must be released by the Executive Director of UM Housing. To request to be released, you must fill out a form and write a statement explaining why you would like to be released. The form is available online [via](#) the myHousingPortal.

Rooms are assigned for both Fall and Spring semesters. Moving out at the end of Fall Semester must be approved by the UM Housing Office. Requests to move out at the end of Fall Semester must be submitted two weeks before the residence halls close for the semester. Notices and changes to plans submitted after then are assessed a \$40.00 late vacate notice fee.

If you are not properly released for Spring Semester, you will not receive a refund on your room charges. If you are released for Spring Semester, you will be charged a \$300.00 cancellation fee, plus a prorated amount for the days you have access to the room and until an official checkout is completed.

Semester Break

The residence halls close for Winter Break at noon the day after finals end. Students living on campus again for the Spring Semester may leave their items in their room but must be out of the hall by Noon the Saturday after finals end unless they have made arrangements to stay. Students that wish to stay in their residence hall room for any part of the Winter Break must make arrangements to do so in the UM Housing Office by 5:00 pm the Friday one week before residence halls close.

Please note that there are additional charges to stay for Winter Break, as this is not included in the semester housing rate. The residence halls will re-open for Spring Semester on the Monday before classes start at 9:00 am. Students who wish to arrive early must submit a winter break housing application to arrive prior to opening day. The student will be responsible for paying a fee per day that they arrive early.

Abandoned Property

Any personal property left on the premises by the resident after they vacate will be removed. Any individual item left in an assigned resident space with an estimated value of less than \$200 will be donated or disposed 48 hours after the resident has vacated unless the resident has contacted Housing to provide notification that they mistakenly left something in their space and to make other arrangements. Due to health and pest concerns, mattresses and fabric couches or chairs will be disposed of regardless of value. The resident will be charged an hourly rate for the labor associated with removing these items from their assigned space and disposing of them.

Property with an estimated value of \$200 or greater will be temporarily stored, and resident will be charged for the hourly labor of removal of the items from their assigned space and charged a daily rate for the storage of the items. Housing will attempt to contact the residents via their official UM email address to notify them of the items being stored. Items that are deemed valuable and left in a resident's assigned space will be held in storage for 10 days after notification of the property found in the unit. Failure to retrieve these belongings by the deadline will result in items becoming the property of the University of Montana.

If an assigned resident space is left in an unreasonable dirty or unsanitary state that poses a threat to the health, safety, sanitation, or structure of the UM Housing facilities or other residents, UM Housing reserves the right to immediately dispose of all abandoned property regardless of value. The resident will be charged an hourly rate for the labor associated with removing these items from the apartment and disposing of them as well as charges resulting from any other cleaning, mitigation, or facilities work related to the state of the apartment.

Emergency Procedures

Fire Alarms and Fire Equipment

All possible measures are taken to maintain a safe community for the residents. This includes having established fire evacuation rules and regular fire drills. Tampering with fire alarms and fire equipment is prohibited. Prosecution by the criminal authorities and/or disciplinary action under the UM Student Conduct Code resulting in dismissal from the University are potential penalties for intentionally setting off false fire alarms, the unauthorized use of fire equipment, and for starting fires.

In case of a fire, call 911. Fires are a potentially serious problem in all shared living space communities due to the high concentration of individuals living in each building. Please use caution and common sense to avoid disasters.

Prevention can save your life and the lives of others. Explore your community and familiarize yourself with all exits. Keep exits and access areas clear of all debris and storage. Residence hall staff will conduct fire drills twice annually in order for all residents to evaluate proper evacuation routes in case of a fire emergency. Please note that halogen lamps, candles with wicks, and incense are not allowed in order to reduce the risk of fires within the residence halls.

Fire Emergency

When the general alarm for your building sounds, you must evacuate the building immediately via the closest emergency exit. Be sure you close and lock your room as you leave. The emergency exit routes are clearly marked. Residents must proceed in an orderly fashion by walking quickly to the emergency egress routes and out of the building. ELEVATORS CANNOT BE USED AS EMERGENCY EXIT ROUTES.

Students with disabilities who cannot egress the building should go to the nearest safe area of rescue and activate the area of rescue signal. Emergency personnel will come to this area and assist the student from the building.

Once outside the building, you must move to a site at least 25 feet from the building. This will allow room for emergency vehicles and personnel to work and protect your safety. During inclement weather,

students will be moved inside to other buildings during the emergency situation. Do not re-enter the building until instructed to do so by a UM Housing staff member or the on-scene emergency personnel.

Medical Emergency

If you believe there is a medical emergency, call 911 or UMPD at 406-243-4000 immediately. Medical response personnel will include UM Police, the Missoula Fire Department, and an ambulance from Missoula Emergency Services. If the emergency personnel on the scene determine the student may be treated at the Curry Health Center, arrangements will be made to transport the student to that facility.

Police Emergency

For police emergencies, dial the campus emergency number, 406-243-4000. UM Police Department Officers will respond to all campus police emergencies.

Residence Hall Policies

Students have the responsibility to conduct themselves in a manner that does not impair the welfare or educational opportunities of others in the University community. Students must act as responsible members of the community, respect the rights, privileges, and dignity of others, and refrain from actions which interfere with normal University functions.

In addition to the Student Conduct Code, UM Housing expects all students and their guests to abide by the following policies within the residence halls. Students may find the Student Conduct Code online at <http://www.umt.edu/student-affairs/community-standards/> and a current list of all Residence Hall Policies online at <http://www.umt.edu/housing/rh/policies/default.php>. Violations to any policies within the Student Conduct Code or Residence Hall Policies will be documented, and students are subject to the disciplinary process.

Educational sanctions assigned through the student conduct process must reflect a student's own original work and personal learning. Submissions generated in whole or in part by artificial intelligence tools (e.g., ChatGPT, Gemini, Copilot, or similar platforms) do not satisfy the educational purpose of the sanction and may be considered a violation of academic and conduct expectations regarding originality. Any submission determined to be substantially generated by artificial intelligence may be rejected and require resubmission. Repeated or intentional misuse of artificial intelligence in completing sanctions may result in additional conduct action.

Residents will be notified via their student email should they have a mandatory meeting resulting from a policy violation. Residents are responsible for checking this email in a timely manner for all University communications. UM Housing reserves the right to deny a room/apartment change pending the result of a conduct case.

 - i. Residents and their guests who are under the age of 21 may not possess or consume alcohol. Based on Montana State Law, being intoxicated by alcohol is considered possession of alcohol. Residents and their guests who are under the age of 21 will be required to dispose of any alcohol or alcohol containers (empty or full) discovered to be in their possession.
 - ii. Residents who are under the age of 21 may not display and/or possess alcohol containers (empty or full), rapid consumption devices (shot glasses, beer bongs, etc.), alcohol decorations (trophy bottles), alcohol boxes, and/or cases, etc.
 - iii. It is a violation of policy for anyone under the age of 21 to be present in a residential space where they know that alcohol or alcohol containers are present (empty or full), or in a common area where violations of this policy are occurring, excluding roommate pairings in which a resident's roommate is over 21.
- C. For residents over the age of 21:
 - i. Residents and their guests may not consume alcohol in the presence of those under the age of 21, excluding roommates. This includes drinking in common areas while underage guests are present.
 - ii. It is a violation of housing policy to be visibly intoxicated in the residence halls. Students who are 21 or over who are disruptive because of the use of alcohol may be considered in violation of this policy.
 - iii. Residents of legal age must discreetly transport alcohol to their rooms.

Common areas include, but are not limited to, outside entry or adjacent sidewalk areas, all lounges, lobbies, kitchens, recreation rooms, entertainment areas, hallways, bathrooms, stairways, fire exits, elevators, and laundry rooms, and a student room with an open door.

Behavior in violation of this policy is addressed through student conduct and may require attendance at Behavioral Health Options. More severe consequences are dependent on the behavior displayed at the time of documentation. The cost of the Options program is the responsibility of the student (see the Behavioral Health Options website for cost: <https://www.umt.edu/curry-health->

[center/Counseling/Behavioral-Health-Options.php](#)). Alcohol violations also carry with them the prospect of a Minor In Possession (MIP) and other criminal charges.

2. Illegal Use or Misuse of Drugs

- A. Residents and their guests must abide by the Student Conduct Code expectations regarding drug use.
- B. The possession, use, distribution, and cultivation of drugs in housing is prohibited. This is true even if a resident is over the age of 21 or has a medical card.
 - a. Although the State of Montana permits the use, possession, and/or cultivation of medical and recreational marijuana, federal law prohibits the use, possession, and/or cultivation of marijuana in educational institutions and other recipients of federal funds. The use, possession, and/or cultivation of marijuana is therefore prohibited in University of Montana housing facilities on the University of Montana premises. Even if a student, faculty, or staff member possesses documentation permitting the use, possession, and/or cultivation of marijuana, this activity cannot occur on University of Montana premises.
- C. It is a violation of policy for anyone to knowingly be present in a room/suite where drugs are present, or where violations of the Student Conduct Code are taking place.
- D. It is prohibited to be under the influence of drugs in any form, with the exception of the use of prescriptions in the manner that is instructed by a medical professional. Residents and their guests who exhibit behaviors that appear to have been influenced by drug use may be subject to disciplinary process. Such behaviors may include, but are not limited to slurred speech, odor of drugs, lack of balance, or swaying.
- E. Residents may not possess drug paraphernalia, which includes equipment, products and materials of any kind which are marketed or designed for drug use including, but not limited to, bongs, smoking pipes, vaporizers, and roach clips.

UM Housing staff is instructed to call the campus police and allow law enforcement to take over a situation if illegal drugs are suspected to be present. Federal Student Financial Aid may be withdrawn if a student is convicted of a drug crime. The University has strict policies regarding illegal use and abuse of substances. Do not jeopardize your education by using illegal substances.

3. Tobacco Free Policy

- A. UM Housing supports the University of Montana's tobacco free campus policy and does not permit the use of tobacco products in any of our residence halls or apartment buildings. All buildings are designated "No Smoking" in all areas including student rooms. - B. In accordance with the University of Montana's tobacco free campus policy, students may also not smoke or use tobacco products, E-cigarettes, or vape/vapor/vaporizer pens outside the residence halls on campus property. - C. Products that contain, produce, or deliver nicotine (e.g., nicotine pouches) are not permitted in University Housing under the legal age of 21. - D. Electric or battery-operated vapor devices (e.g., hookahs, E-cigarettes, and vape/vapor/vaporizer pens, etc.) are not prohibited to be stored in UM Housing facilities.
- E. FDA approved nicotine cessation products are permitted in UM Housing Facilities.

Illegal and Disruptive Conduct

4. Disruptive Behavior

- A. Any act that poses a danger to health, safety, or property within housing facilities is prohibited.
- B. Students shall not obstruct or disrupt the University living environment. Disruptive behavior is behavior that interferes with the University living and learning environment, or that interferes with the other students' rights to socialize, study, or sleep. Disruptive behavior may include, but is not limited to the following:
 - i. Excessive noise or nuisance; or disruption to the community
 - i. Need for excessive University officials' response (includes but is not limited to UM Housing staff and UMPD)

- D. Residents who assist anyone in a policy violation or a crime may be in violation of housing policy themselves.

Hall staff reserve the right to require items that cause an ongoing disruption to the living environment be removed from the residence halls immediately.

5. Noise Policy / Quiet Hours

When living in community areas in close proximity to others, there will be a certain amount of noise that occurs. Some people are more sensitive to noise than others, and sometimes community living does not work out if this is the case. Please remember that a reasonable level of noise associated with normal daily activities is an inherent part of community living in an area and does not, on its own, constitute a policy violation. Residents are primarily students with study needs so be considerate of others in surrounding areas. Residents should keep noise from musical instruments, video games, radios, televisions, and stereo equipment at a level that will not disturb other residents. In an effort to reduce the amount of noise in the living groups, specified quiet hours are established in each living group.

- A. Excessive Noise - Noises that are disruptive at any time are prohibited. Disruptive noises, including but not limited to, loud stereos, amplified instruments, or loud voices, infringe on the rights of other students. Residents with stereos are encouraged to use headphones. Amplifying music or other sounds out of residence hall windows into public spaces is prohibited. While it is the responsibility of all to control noise, it is also the responsibility of those bothered by noise to contact the offending party and request that the problem be corrected. All residents must assume responsibility for monitoring their own behavior.
- B. Courtesy Hours - Courtesy hours are in effect at all times. Courtesy hours allow all residents to sleep, study, and relax or host visitors without distracting noises from neighbors. If any student makes a reasonable request that another student reduce the volume of their music, talking, and TV, they must comply with the request. Residents must comply with staff requests to reduce noise. For more information, see the Disruptive Behavior policy. Retaliation against the person making such a request may result in further conduct action.
- C. Quiet Hours - Quiet Hours are from 9:00 pm to 8:00 am beginning Sunday evening through Friday morning, and from 11:00 pm to 9:00 am beginning Friday evening through Sunday morning. When quiet hours are in effect, the living environment should be quiet enough to allow others to sleep. Guidelines for behavior during Quiet Hours include:
 - i. Radios and stereos should not be heard outside the room.
 - ii. Musical instruments should not be played in the residence hall.
 - iii. The right of a roommate to study and sleep has priority over your right to entertain guests in your room.
 - iv. Because of disturbances to hall residents and the potential injury to bystanders, outdoor games are limited to the lawns south of Pantzer Hall, east of the second sidewalk in front of Craig Hall, and on the River Bowl. Drumming activities should be taken to the River Bowl area.
- D. Beginning the Friday before finals at 9:00 pm, quiet hours are extended to 23 hours per day, with courtesy hours in effect from 7:00 pm – 8:00 pm.

UM Housing reserves the right to perform maintenance and construction of the residence halls, which may occur throughout the year and at various times of the day. Maintenance and construction may cause noise within residential facilities.

UM Housing Property

6. Building Security

UM Housing offers periodic personal security programs in order to help provide a safe and secure community for its residents.

Common areas can include kitchens, lounges, lobbies, bathrooms, hallways, laundry rooms, or other spaces that are for general resident use. Restrictions to access and charges could ensue if it is determined you were responsible for messes left in such areas.
- C. Residents must clean and disinfect public kitchen after any usage in order to return it to a clean state, ensuring that all cookware is turned off, undamaged, and serviceable. All items in fridges must be labeled with date and names—expired/unlabeled items will be discarded. - L. No more than 30% of any door or wall surface inside a resident's room may be covered with combustible materials. Wall surfaces include doors, windows, ceilings, and floors.

- D. Residents may not damage any University property or property owned by other residents.
- E. Residents may not permanently or temporarily alter, modify, or reconfigure University property or space, nor install or affix items in a manner that may cause damage or interfere with University operations, maintenance, inspections, or safety systems.
