ACTivity Class Grading Policy:

1. ACTivity Classes are graded credit/no-credit. Each student's grade is determined entirely on meeting minimum attendance and class participation requirements. Meeting these requirements is the student's responsibility.
2. Punctual attendance and appropriate attire is required of all students. Students are required to be dressed out and ready to participate at the beginning of class, and participate for the duration of the class. Any student that is unable to participate for the duration of the class due to late arrival, early exit, or inappropriate attire will be marked absent. Students should plan accordingly to meet these requirements. Students will sign in at the Snowbowl Snowsport School Desk and again with their instructors when class begins. Students must do this in order to be counted as in attendance for the day.
3. Students are allowed one on-campus absence and one Snowbowl absence without jeopardizing their credit.
4. If a student misses more than the allowed absences, the student will receive a grade of NCR (no credit). This is not calculated into the student's GPA. However, the student will not receive the one credit for which they're registered. This may create financial aid and/or graduation consequences associated with not receiving credit for a course. **WE DO NOT EXCUSE ABSENCES OR OFFER MAKE-UP CLASSES FOR ANY REASON.**
5. Each registered student voluntarily and knowingly assumes the risks inherent to the activity in which they are participating. If a student is injured and cannot complete the minimum attendance and participation requirements, the H²PAC Office will assist the student with class withdrawal.

These classes are taught by Snowbowl Snowsport School instructors. For questions specific to the lessons at Snowbowl, please contact the Snowbowl Ski School at 406-549-9777 extension 6.
