

Request for Review of Library Exhibits

Exhibits are a valuable part of the Mansfield Library's public services outreach and user education program. Exhibits inform and promote the library's information resources and services and provide an excellent opportunity for the library to engage in collaborative projects.

The library hosts a variety of exhibitions; some uses selected materials from the collections, others are traveling exhibits of artifacts, photographs, documents, and books from external partners. While the library serves a diverse clientele of adults, there may be an exhibit that an individual considers inappropriate. In that instance, this form may be completed to request the event coordinator to re-examine a particular title. Such an evaluation will be done in the light of the Hosted Exhibit Policy and the mission of the institution.

Please answer all of the above questions and return or mail the completed form to the Mansfield Library Administrative Office at 32 Campus Drive Missoula, MT 59812-9936. You may expect a response in writing within a month.

EXHIBIT TITLE: _____

1. What brought this exhibit to your attention?

2. Did you review the entire exhibit? If not, what parts have you reviewed?

3. Specifically, to what do you object?

4. Do you see any value in this exhibit (literary, instructional, self-development)?
