PROGRAM INFORMATION

The certificate of Applied Science in Accounting Fundamentals prepares students to work in a broad array of fields and is a great stepping stone to the two-year Associate of Applied Science in Accounting Technology. Students in this program can expect small classes with professors that care about you individually, dedicated practicing accountants teaching your core courses, real life applications integrated into your coursework, and flexible options for taking courses including online, traditional in-person, and hybrid classes.

CAREER OPPORTUNITIES

Account Resolution Specialist, Billing Specialist, Accounting Clerk, Payroll Assistant, Payroll Specialist, Bookkeeper, Purchasing Agent, Staff Accountant, Audit Associate, Financial Analyst
