ITS 165	Intro to OS and the Cmd Line	3		
M 115	Probability & Linear Math	3		Math Gen Ed
WRIT 101	College Writing I	3		Writing I Gen Ed
	TOTAL CREDITS	18		

SPRING SEMESTER

COURSE NUMBER	COURSE TITLE	CREDITS	GRADE	NOTES
CSCI 151	Interdisc. Computer Sci I	3		
CSCI 172	Intro to Computer Modeling	3		
ITS 212	Network OS - Server Admin	3		
ITS 279	Cloud Systems	3		
ITS 280	Computer Repair & Maint.	3		
	TOTAL CREDITS	15		

PROGRAM INFORMATION

The Certificate of Applied Science is a great stepping stone to earning a two-year Associate of Applied Science degree in Information Technology and Cybersecurity. Technical support professionals in computing and information technology are in high demand. This certificate aids in developing a well-rounded technical background with coursework in data modeling, networking, operating systems, PC hardware, coding, programming, and more.

CAREER OPPORTUNITIES

Examples of positions earned with this certificate include careers in computer support, information technology, web development, software development, project managers and IT analysts.
