

PAX PARTNER JOB DESCRIPTION

A PAX Partner is an onsite coach that supports teachers implementing PAX. PAX Partners do this by modeling PAX strategies, meeting with teachers, or supporting the development of tiered interventions.

Some PAX Partner responsibilities include:

- ★ Facilitate PAX implementation Team meetings if school is not implementing Multi-Tiered Systems of Support (MTSS)
Or Attend MTSS meetings and form a work group to support PAX Good Behavior Game(GBG) implementation
- ★ Assist teams with development of Tier 2 and 3 PAX GBG interventions (re-teaching, pre-teaching, targeted groups)
- ★ Assist Implementation Team in the development of a school-wide PAX GBG implementation plan that includes data collection, roll-out, fidelity checks and plans for sustainability
- ★ Provide on-site coaching for teachers and PLC when necessary
- ★ Model strategies and train staff in PAX GBG implementation at staff meetings and early outs
- ★ Support principal in using the PAX UP Administrator App to monitor PAX implementation
- ★ Support teacher use of the PAX Up App
- ★ Create PAX Vision with staff
- ★ Send out monthly PAX newsletter of tips to teachers
- ★ Assist External Coach with data collection and development of training materials
