BIG SKY EXPERIENCE INFORMATION

Don't forget to wear your Big Sky Experience shirt and name tag tomorrow!

YOU'RE A VERY IMPORTANT GRIZ

When you come to UM, you are not only joining our family, but the Missoula community. So, go out and explore! Use your VIG wrist band this week to receive special discounts and promotions at a variety of local businesses on the Hip Strip and Downtown.

View our 2023 VIG partners at umt.edu/vig.

FLOAT INTO YOUR FIRST YEAR *See you at the Freshman Float!*

You are starting a big week, and we've got a lot of information for you. Let's wrap things up with a splash! Bring your brand new dry bag, grab a friend, and hop on a shuttle this Friday to float back to campus on the Clark Fork River.

A quintessential Missoula summertime activity!

- Float is roughly two hours; first shuttle departs at 12:30 and continues every 30 minutes to the Sha-ron put-in.
- Limited tubes available to borrow, so bring your own if you have one.
- Don't bring anything that won't fit in your dry bag, that cannot get wet, or you do not want to lose.
- Music, lawn games, and light snacks are provided.

You can access digital versions of all printed materials, and this week's schedule online at umt.edu/orientation or via this QR code.

CHART YOUR PROGRESS FROM ORIENTATION *to* GRADUATION

Navigate is a mobile advisor app that has made staying on top of the things you need to do and making the important decisions of college easier. It's the ultimate guide to build a path to graduation—and stay on that path.

WITH THE NAVIGATE APP YOU WILL:

- Reach advisors and professors in seconds.
- Make a to-do list and set reminders.
- Discover supportive resources including directions to key offices on campus.
- Sync your schedule with your calendar.
- Get alerts about important deadlines.

To download search “**navigate student**” on **Google Play** or the **Apple App Store**.
