Navigating the Banner XE Student Advisor Profile

Advisee Search Screen

The first screen displayed in Banner XE Advisor Profile is the “Advisee Search” screen

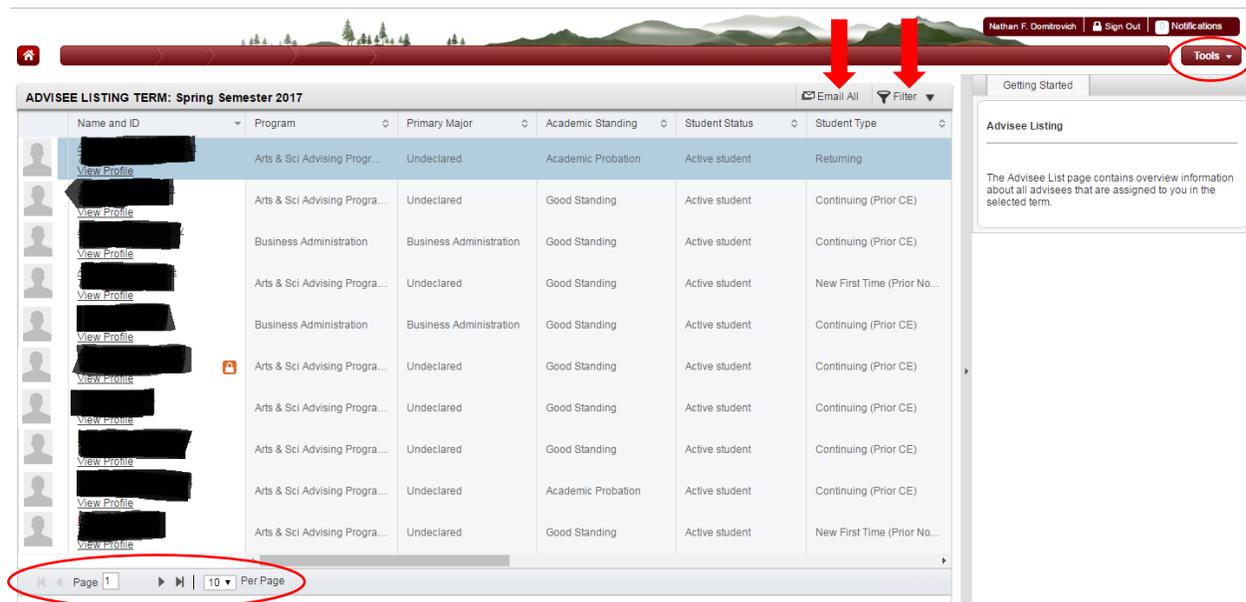

- Use the Advisee Search page to select the term for which you would like to search for a specific advisee to view their student profile information.
 - The selected term will determine which advisees you have access to as well as which information will be displayed for the students.
- You can search for one of your advisees individually by Student ID(790), Student Email, or Students Name and click “View Profile” to view this specific student's information.
 - If your job duties require you to have access to search for students other than those that are assigned to you please request additional access to the Office for Student Success at OfficeforStudentSuccess@mso.umt.edu
- To see ALL advisees that are assigned to you for the selected term click the “View My Advisee Listing” Button, which will open the “Advisee Listing Screen”.

Advisee Listing Screen

The Advisee Listing provides a list of all students with whom you have an active advising relationship for the given semester. You can sort, filter, and/or download the list of advisees, email advisees, and you can access an individual student's profile from this page

- Navigate through all advisees using the horizontal arrow keys at the bottom of the screen
- Quickly filter by the information criteria displayed by clicking the Column headers
 - For more advanced filtering click the "Filter Button" in the right corner
- The "Email All" button allows you to quickly send a BCC message to advisees
- To download an Excel list of your advisees select Tools>Export Advisee Listing>Export
 - If your advisees are filtered this export will only include the students in the filter

Email All

To email the students in the advisee list, perform the following steps.

1. Select the Email All button.
2. If you are emailing more than 50 students an "Email All" popup window is displayed with a message that the selection of advisees exceeds the number recipients allowed per email message.
 - a. Links are displayed for each group of recipients, such as Email Message 1, Email Message 2, and so on.
3. Click on Email Message 1.
 - a. Review the students included in the populated email "to" list. The "to" list is populated in the blind copy field so students do not see the other email recipients.
 - b. Enter the email subject and body text and click Send.
4. When multiple emails are needed based if messaging more than 50 recipients, click on Email Message 2 and so on, copy and paste the email text into additional emails and send.
5. Click Finished.

***Note: When a filter is in use, only the students on the filtered list are emailed.

Advanced Filtering

Advanced filtering allows the user to filter on specific values between one or multiple criteria

- The first field allows the user to select what criteria to filter on
- The second field allows the user to determine the command of the value
- The third field allows the user to enter a specific value
- Use "Add Another Column" to add multiple criteria records to your filter
- To delete a criteria record press the minus symbol on the right

The screenshot displays the 'ADVISEE LISTING TERM: Spring Semester 2017' interface. At the top, there is a navigation bar with 'Email All' and 'Filter' buttons. Below this, the 'Filter Records' section contains three filter rows. The first row has 'Campus' as the criteria, 'Not Equals' as the command, and 'Select a value...' as the value. The second row has 'Student Type' as the criteria, 'Equals' as the command, and 'New First Time (Prior Nontrad)' as the value. The third row is labeled 'Add Another Column' and is circled in red. To the right of each filter row is a minus sign icon, also circled in red. At the bottom of the filter section are 'Cancel', 'Clear All', and 'Go' buttons. On the right side of the interface, there is a 'Getting Started' sidebar with an 'Advisee Listing' section and a brief description of the page's content.

Viewing Student Profiles through the Banner XE Student Advisor Profile

The *Student Profile* contains a wealth of information about a student on a single page. Students also have access to their own profile in Cyberbear.

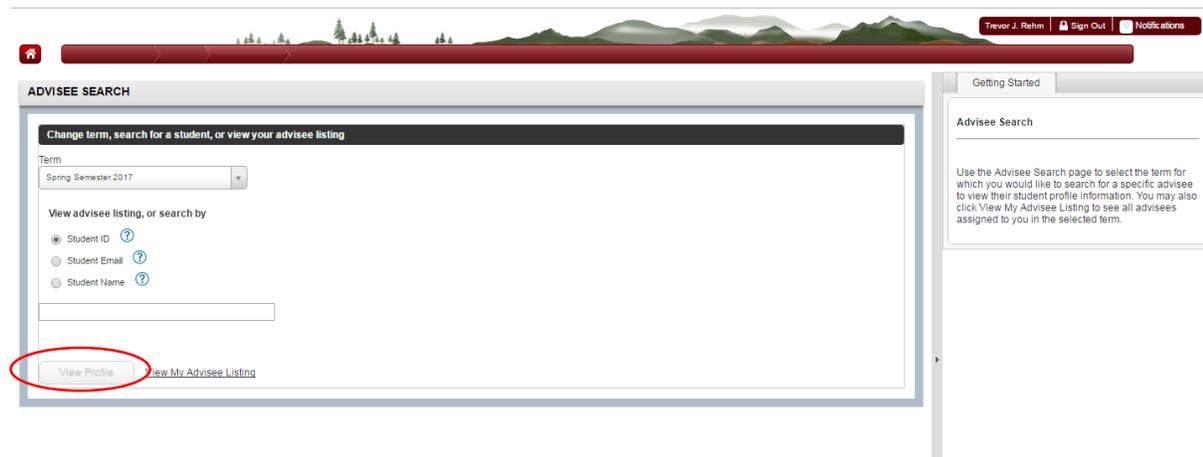

Information available from the Student Profile includes:

- Student name and ID
- Basic biographic and demographic information
- General information about the student (level, classification, student status, residency)
- Academic advisor details
- Curriculum details
- Class schedule (the Registered Courses list only includes active registrations)
- Prior education details (including institutions attended and degrees earned) and Test Scores
- Academic Standing
- Overall earned hours and GPA
- A Registration Notices section, which displays information about items that could impact a student's ability to register for the term

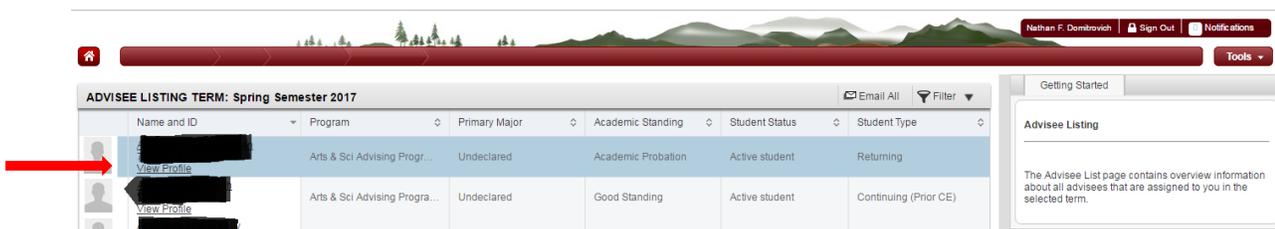

How to View a Student's Profile
