

2026 Perinatal & Pediatric Mental Health Symposium

Dear Sponsors/Exhibitors,

We are excited to welcome you to this year's Perinatal and Pediatric Mental Health Symposium, hosted by the Montana Psychiatric Access Line (MTPAL) – Montana's free statewide psychiatric consultation line for healthcare professionals caring for perinatal and pediatric populations. This symposium continues our commitment to supporting providers across the state who serve these vital populations, offering education, resources, and opportunities to connect with colleagues dedicated to perinatal and pediatric mental health.

The symposium will be hosted in Billings, Montana at the Double Tree Hotel, March 4 & 5, 2026.

TARGET AUDIENCE:

This may include but is not limited to: Primary care providers, family practice physicians, behavioral health providers, obstetric providers, midwives, pediatricians, psychiatric providers, psychologists, nurses, medical assistants, care coordinators, care coordinators, social workers, doulas and other medical and behavioral health professionals serving perinatal and pediatric populations.

Families, parents and guardians of children with behavioral health conditions who would benefit from the material are also welcome to attend.
