

# Follett Discover Textbook Adoption Instructions

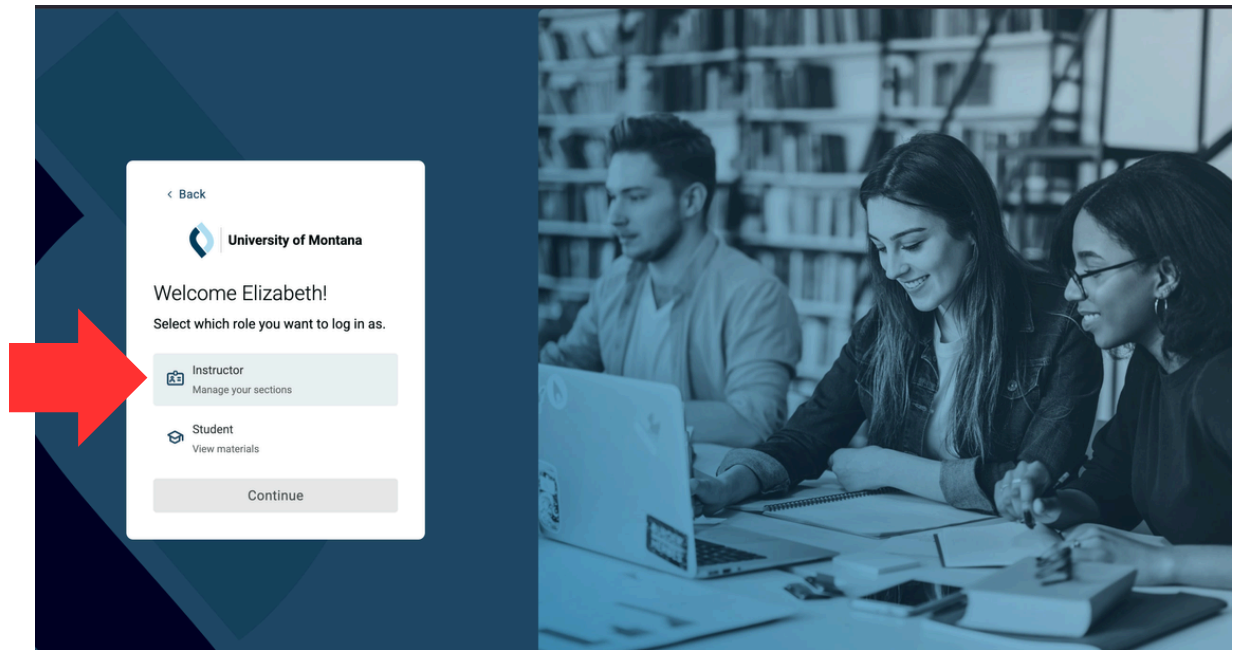

## Log into Canvas

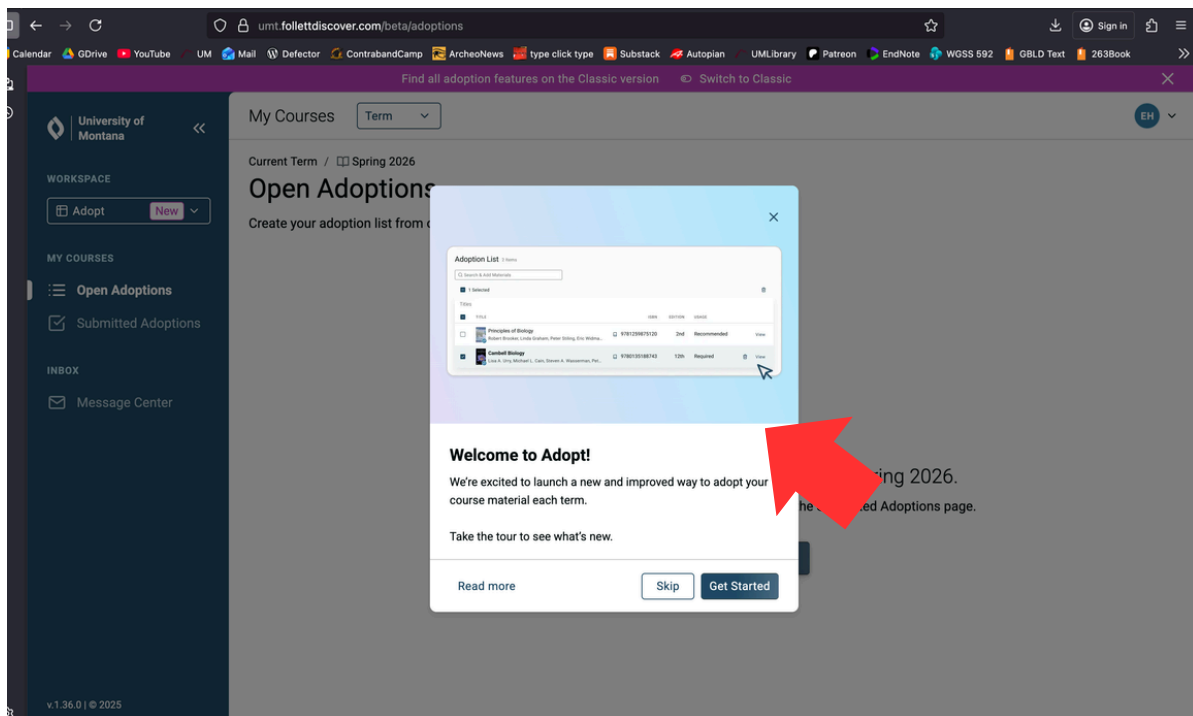

## Select MY MATERIALS on your canvas dashboard

# Select Instructor and Manage your sections

Follow instructions on prompt to learn how to submit your course material adoptions.

Select the correct term in which you wish to adopt materials as well as your course department and class number. If you need to adopt by section vs by course there is an option to do so. Your most recent adopted materials will be listed for the course for easy readoption.

### Open Adoptions

Create your adoption list from our catalog or from past materials for easy readopt.

You've finished submitting all adoptions for Spring 2026.  
You can view the material you submitted and its status on the Submitted Adoptions page.

[View Submitted Adoptions](#)

Once submitted you will see a completed screen and you can check on any additional classes you need to adopt materials for.

If you want to confirm adoptions for classes you have already submitted, they can be referenced in the submitted adoptions tab.

If you need any further assistance please contact Mike Cutler at [2340txt@follett.com](mailto:2340txt@follett.com)
