

# Students Participating in Air Research and Knowledge Translation (SPARK) Program

## 2026 Summer Teacher Workshop

Formerly the REACH program, SPARK offers a new opportunity for students to investigate air quality and impacts to health through curriculum and research opportunities focused on wildfire smoke exposure and public health.

**August 5-6, 2026 from 9am-3pm at the University of Montana**

- New teachers: 8/5 from 9am-3pm, 8/6 from 9am-3pm
- Returning teachers: 8/5 from 12pm-3pm, 8/6 from 9am-3pm

OPI renewal units and stipends of \$350 (returning) and \$400 (new), light breakfast, and lunch provided!

**[Register to attend here!](#) \*Limited spots available, register by 7/17**
