

Cyberbear Registration

Register for Classes

Once registration opens for the term, you can search for courses or use an existing plan you created or one from Degree Works to register for your classes.

 Prepare for Registration View registration status, update student term data, and complete pre-registration requirements.	 Register for Classes Search and register for your classes. You can also view and manage your schedule.
 Plan Ahead Give yourself a head start by building plans. When you're ready to register, you'll be able to load these plans.	 Browse Classes Looking for classes? In this section you can browse classes you find interesting.
 View Registration Information View your past schedules and your ungraded classes.	 Browse Course Catalog Look up basic course information like subject, course and description.

Select a Term

The screenshot shows a registration form with the following elements:

- Terms Open for Registration:** A dropdown menu currently showing "Autumn Semester 2018".
- Alternate PIN*:** A text input field containing six asterisks.
- Continue:** A button at the bottom of the form.

Callouts from a blue box on the right point to these elements:

- Select a Term (points to the dropdown menu)
- Enter your Advising Pin (points to the Alternate PIN input field)
- Click Continue button (points to the Continue button)

Register for classes from these options

Find Classes	Enter CRNs	Plans
---------------------	------------	-------

Find Classes You can use this to find classes if you have not previously set up a plan in the Plan Ahead section.

Use the search fields to find a class you want to register for and click the Add button. *See the Browse Classes document or video for an explanation of these search fields.*
