CLERY ACT: In 1998, Congress passed amendments to the Crime Awareness and Campus Security Act of 1990, which had amended the earlier Higher Education Act of 1965 (HEA), renaming the law to the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, also known as the Clery Act.

The purpose of the Clery Act is to provide current and prospective students and employees with accurate and important information about crimes and campus safety so they can make informed decisions. The U.S. Department of Education electronically publishes UM data, along with comparable information from other colleges and universities.
