

The University of Montana

Request for Vocational Technical Credit Grant

Effective December 18, 1975, The Faculty Senate adopted a policy relative to the acceptance of vocational-technical credits (indicated by a VT or T on the transcript) at the University of Montana. A maximum of ten vocational-technical credits earned at any regionally accredited junior college, community college or vocational college will be accepted upon transfer to The University of Montana, if approved by the student's major department. For details regarding this petition process, consult the current catalog.

Student's Name _____

Student ID _____ Student's UM Major _____

The Dept. of _____ recommends that _____

(# of credits)

be awarded to above named student for vocational-technical work completed at accredited institutions.
