- There was a 35% increase in online general education courses offered at UM from summer 2018 to summer 2019

**Pell Grants**
The federal government now permits students to use Pell Grants in the summer. The number of students receiving Pell tripled in 2018.

**Transformational Learning Opportunities**
Field and lab research, service-learning, independent studies, study abroad trips, internship experiences and excursions for credit in and around Montana.

**Stay on Track**
Earn enough credits through summer enrollment to remain ahead and on schedule for graduation.

**Smaller Class Sizes**
Summer class average size is 13, smaller than both fall and spring semesters.

**Flexibility of Courses**
Students have a choice from seven different summer sessions:
- One twelve-week session
- Two six-week sessions
- Four three-week sessions
Variety of Courses Offered
General Education, individualized instructions and major-specific courses for both undergraduate and graduate students.

Montana Summer
Take classes and still have time to enjoy Montana in the summer.

National Student Exchange
Students from 35 out-of-state institutions can pay UM in-state tuition for summer through the National Student Exchange.

Online Classes
Online classes are available at the possibility of a discounted rate.
