

Franke GLI Presentation Judging Rubric

	Very Poor/Poor		Fair/Good		Very Good/Excellent	
	1	2	3	4	5	6
Clear Explanation of the Problem	No single clear problem stands out or the technical language used obscures the problem.		The problem is clearly stated, but analysis at times appears to drift from the stated problem.		The problem is clearly explained in non-technical language and remains consistent throughout.	
Organization	The organization of the sections or of the ideas within each section detracts significantly from the project's logic.		The organization of the presentation or of the ideas within each section supports the project's logic, but may be inconsistent at times.		The organization of the sections and of the ideas within each section leads to an easy understanding of the project's logic.	
Content	The presentation did not cover context or findings. May also have been incomplete or overly technical.		A non-technical presentation that was missing an important piece such as context or findings.		A clear, non-technical presentation that incorporated the literature, context, and findings.	
Global Context	The project's global context, perspectives and interrelationships are not articulated.		Connections to global context, perspectives and interrelationships are vague or minimally explained.		Connections to global context, perspectives and interrelationships are well-explained.	
Delivery to a Broad Audience	Unprepared, uncomfortable or lacking engagement with the audience. Visual aids detracted from presentation.		Clear overall, but somewhat uneven. Visual aids occasionally detracted from presentation.		Smooth, clear, articulate, and engaged. Visual aids, if used, enhanced the presentation.	
Feasibility and/or Implementation	Feasibility and/or implementation are not adequately addressed.		Feasibility and/or implementation are addressed but relevant constraints are ignored or not handled adequately.		Feasibility and/or implementation are clearly addressed and consider the relevant constraints.	
Responses to Questions	Inadequate given the research presented.		Logical but not clearly presented.		Clear and logically connected to the research presented.
