

The UM students listed below are non-Montana residents who are degree candidates for spring semester 2016. A single asterisk after the student's name indicates the student is expected to complete degree requirements and graduate with honors by achieving a GPA of 3.4 or higher. Double asterisks indicate the student is expected to complete degree requirements and graduate with high honors by achieving a 3.7 GPA or higher. **Note:** The University is prohibited from publishing graduation and Dean's List information about students who signed the Student Request to Restrict Release of Directory Information form through the Registrar's Office. Also, some students may appear on the in-state list under Missoula if the Registrar has a local address on file. If your name is not included on either list and you believe it should be, please call 406-243-5478.
