Montana Students Make UM Dean's List

MISSOULA – At the University of Montana, 2,743 students made the spring semester 2017 Dean's List and President's 4.0 List. To qualify for the Dean's List or President's 4.0 List, students must be undergraduates, earn a semester GPA of 3.5 or higher and receive grades of A or B in at least nine credits. Students who receive any grade of C+ or below or no credit (NC/NCR) in a course are not eligible.

The Montana students listed below made UM's spring semester 2017 Dean's List or the President's 4.0 List. Double asterisks after a name indicate the student earned a 4.0 GPA. A single asterisk indicates a GPA greater than 3.5 but less than 4.0.
