Funds are only issued to schools, not applicants.

Q. Is there a cap on how many times I can receive MTNG State Tuition Waiver?

A. Yes, up to your first Bachelor's degree

Q. Is there a cap on how much I can receive in a semester/semester?

A. Yes, up to the cost of in-state tuition rate. Non-residents will receive the in-state tuition rate for this purpose only.

Q. If I receive a grant or scholarship that is applied towards my tuition, will that impact my eligibility for the MTNG State Tuition Waiver?

A. Yes. Any grant or scholarship that is being applied towards your tuition, may reduce your eligibility. Student loans are not considered a grant or scholarship and will not be counted against your eligibility.

Q. If I apply for the MTNG State Tuition Waiver and also for Federal Tuition Assistance, can I use both sources towards tuition?

A. Yes. MTNG Tuition Waiver will be the last payer. You must apply for Federal TA if eligible and it must be applied before the Waiver is applied.

Q. Will the GI Bill count towards tuition?

A. No. The GI Bill can be used in conjunction with the waiver toward other costs of education, and it will not be used in the tuition waiver calculation.

Q. How will I know if I have been approved?

A. The Campus will be notified of the Students' eligibility, which will then be applied to the Student's bill.

Tuition paid from all tuition assistance sources cannot exceed 100%.
